If you take the credit but are unable to complete the volunteering requirements, a bill will be sent at the end of the season. There is no partial credit.

Logging Your Volunteering Hours -

The 1-2-3 Volunteer Plan Red Book is in the club. Each person who signed up to participate has a sheet (in alphabetical order by last name) to log your volunteer hours. Find your sheet, and fill in the hours you worked for each event as you work them. **You are responsible for logging your own hours.**

Your volunteer hours can count towards the credit of another immediate family member. Fill in the hours worked on **their** sheet and put your name down as the person working.
